

April 9-10
Marriott Columbia
1200 Hampton Street
Columbia, SC 29201

We bring charter school peers to the intersection of policy and practice during our annual Leadership Summit. We focus on public charter schools' role in strengthening South Carolina's future. During the day, we will discuss public policy issues, the power of teamwork, school safety, leadership coaching, and charter school advocacy. In addition, the Summit provides a legislative reception and opportunities to connect with lawmakers and state leaders.
